THE NEXT STEP

Postdoc Career Programmes Technical University of Darmstadt

Career Bridging Grant

Interested in applying for external funding to finance your own position? Apply for Career Bridging Grant to financially bridge the time up to the potential start of your funding.

Future Talent Guest Stay

Want to become a TU Future Talent and visit one of Germany's top technical universities? TU Darmstadt invites young researchers from abroad to discover research and career opportunities as TU Future Talent.

Ernst Ludwig Mobility Grant

Interested in gaining international experience? Ernst Ludwig Mobility Grant offers TU postdocs the opportunity to go abroad to work and network with international scientists.

Re-entry Scholarship

Combining an academic career and family care? TU Darmstadt supports female scientists who already completed a doctorate and have interrupted their research due to care responsibilities with TU Re-entry Scholarships.

Athene Young Investigator

Aiming for a professorship? Athene Young Investigator promotes the scientific independence of exceptionally qualified TU postdocs by giving them the chance to lead an independent junior research group.
