Declaration of consent to the collection and processing of data

In order to issue or change a parking permit for TU Darmstadt parking spaces, the following personal data is collected and processed by Unit IV C:

- Name, address
- Phone number
- Email address
- Staff registration code, organisational unit
- Type of employment (temporary/permanent, trainee)

This data can only be collected by authorised persons in Unit IV C. The data will not be passed on to third parties.

We hereby assure that the EDP performed by us is based on applicable laws and is necessary for the conclusion of the contractual relationship. Furthermore, any further data collection requires the consent of the user. Automatic deletion takes place three months after termination of the contractual relationship.

The undersigned has the right to revoke this consent at any time without stating reasons. Furthermore, collected data can be corrected, deleted or its collection restricted if necessary. You can request detailed information about the stored data at the address below.

Consent is voluntary, is given only for the purpose of issuing or amending parking permits, and may be revoked at any time. A revocation does not affect the processing that has taken place up to that point. No disadvantages arise from the refusal of consent or its revocation. However, it is then not possible to obtain a parking permit.

The undersigned hereby affirms that he/she consents to the collection and processing of his/her own data by *TU Darmstadt, Directorate IV C* and that he/she has been informed of his/her rights. This consent will be retained by TU Darmstadt until the end of the storage period. I also agree to this.

Terms of use annual parking permits for students

1. The terms of use supplement the application for an annual parking permit for students of the TU Darmstadt.
2. An annual parking permit for the Lichtwiese car park is issued upon application exclusively for students of TU Darmstadt.
3. The purchase of the parking permit is possible only on 01 October of the respective calendar year.
4. The application for the parking permit must be received by Unit IV C at least one month before the start date.
9. The parking permit must be returned to Unit IV C in person or by post at the end of the contract. Otherwise, a flat fee of 15 EUR will be charged.
10. Unit IV C must be notified of any changes in the underlying data without delay.
11. The (non-transferable) parking permit may only be used by the applicants themselves.
12. Payment is made by bank transfer.
13. In case of loss or destruction of the parking permit, the user is obliged to inform Unit IVC immediately in writing. A fee of 15 EUR will be charged for the replacement issue. It should be noted that no refunds will be made for parking charges made between the time of loss or destruction and receipt of replacement tickets.
14. The parking regulations of TU Darmstadt apply in the Lichtwiese car park.
