# Ad-hoc-Childcare

## In Fluggis Abenteuerland Darmstadt

Flexible day care support for children of employees and students  
of TU Darmstadt

### What does Fluggis offer?

Children from the age of 1 - 12 years (younger children on request) are cared for in case the childminder is indisposed, the kindergarten is closed, during school holidays or in case you have to work longer hours. The ad-hoc daycare can also be booked for meetings, conferences or workshops. Fluggis-Abenteuer-Land is situated in Bad Nauheimer Straße 4, 64289 Darmstadt, just opposite the Waldspirale.

### Opening Hours:

Mondays to Fridays from 06:00 - 22:00 (also on weekday - bank holidays).

### What you need to do:

For registration you need to contact Fluggis at least one day in advance between 14:00 – 16:00 via their hotline. On week-ends messages can be left on the answerphone until 16:00 so that a registration for Monday morning is still possible.

**Registration only via this Hotline: 06151 - 7805305**
